

TERMS OF BUSINESS (NON-STATUTORY TRUST)

The Financial Conduct Authority (FCA)

The FCA is the independent watchdog that regulates financial services. It requires us to give you this document. Please use this information to decide if our services are right for you.

Our Service

We are an independent Insurance Intermediary and we will act on your behalf in:

- a) Arranging your insurance cover with Insurers to meet with your requirements or where requirements cannot be fully met, provide you with enough information to enable you to make an informed decision;
- b) Helping you with any changes that you need to make to your insurance during the Policy period.
- c) Telling you when you need to renew your Policy in time to allow you to consider and arrange any continuing cover.
- d) We are also a credit broker in that we introduce those wishing to pay by instalments to firms that are able to lend money under a regulated credit agreement by way of business.

Who regulates us?

ADS Insurance Brokers Ltd is authorised and regulated by the Financial Conduct Authority. Our FCA number is 305813. Our permitted business is advising on, arranging, transacting and administering general insurance contracts. You can check this on FCA's Register by visiting the FCA's website: www.fca.gov.uk/register or by contacting the FCA on 0845 606 1234.

Whose Products we Offer

In the majority of cases we will carry out a 'fair analysis' of the market in order to identify a suitable product. This means that we will compare products from a sufficiently large range of insurance providers in terms of cover, price, quality of service and other relevant features in order to select appropriate policies for you. If this is not the case we will advise you of the breadth of our marketing prior to inception of the policy.

Information on Costs

In addition to the premiums charged by Insurers, we may charge a professional fee to cover the placing and ongoing handling of your insurance. We make the following minimum charges to cover the administration of your insurance:

Arranging new Policies - £20.00

Mid-term adjustments and renewals - £20.00

Renewals - £20.00

Replacement/duplicate Certificates or Cover Notes - £20.00

The specific amount and purpose of any professional fee and administration charges will always be advised to you in advance. We earn the entirety of our commission and/or fees when your risk is successfully placed and take out commission and/or fees immediately upon receipt of payment unless agreed otherwise with your Insurer.

Disclosure of Earnings

You are entitled at any time, to request information about the earnings that we, or any other intermediary we have used, receive as a result of placing your business. In addition to commission from insurers, we may also receive payments based on volumes of business or profitability of the account placed with them. These payments can vary from year to year. Such remuneration is only earned on the basis that it does not detract from our obligation to act in our client's best interest at all times.

Mid-term adjustments or cancellations

In the event of an adjustment that results in a return of premium or cancellation mid-term we will refund the premium due net of our full commission and any charge made by Insurers. Where the premium is being paid by instalments, we will claim our full commission along with any charge made by the Insurers in the calculation of any outstanding monies.

Cancellations due to premium instalment default

If any credit agreement payment is not met, you acknowledge and agree that we may instruct on your behalf the relevant insurer to cancel the insurance and to collect any refund of premiums which may be made by the insurer and use it to offset any outstanding costs. Cancellation of the insurance policy will mean there is no cover in force should a claim occur.

Payment Terms

We normally accept payment by guaranteed cheque or the bankers automated clearing system (BACS). We require full payment of the premium either by renewal or within 21 days of cover being effected. You may be able to spread your payments through a credit scheme and we will give you full information about your payment options and details of the interest payable at the time we provide you with a quotation.

How we will handle your money

Our Non-Statutory Trust account has been set up in accordance with strict rules laid down by the Financial Conduct Authority. We are the Agent of Insurers for collection of certain premiums. We are required to inform you that we may use your premium to settle premiums due under other policies including those payable by other clients. In arranging your insurance we may employ the services of other intermediaries who are regulated by the FCA and your premium may be passed to these intermediaries for payment to insurers. Any interest or investment returns, earned on your money whilst in our possession will be retained by us.

Insurers

Whilst we take every care to check the financial stability of any firm with which we place business, we cannot be held responsible if that firm subsequently ceases to trade.

Prevention of Bribery

Your Duty to Provide Information (consumers)

It is your duty to take reasonable care to answer all questions honestly and to the best of your knowledge. If you do not, your insurance policy may be cancelled or treated as if it never existed or your claim may be rejected or not paid in full. It is important that all statements you make on proposal forms claim forms and other documents are full and accurate. If a form is completed on your behalf, you should check that the answers shown to any of the questions are true and accurate before signing the document. Failure to provide requested information to your insurers could invalidate your insurance cover and mean that part or all of a claim may not be paid.

Fair presentation of risk (non consumer clients)

It is your statutory duty before entering into a contract of insurance, prior to an alteration and at renewal to make a fair presentation of the risk to be insured and to ensure that information is provided in a clear and accessible format. Once we have collated the information about the risk copies of the information will be sent to you for checking. Where practical every material circumstance should be disclosed. We will expect firms to make reasonable enquiries and proactively gather information however, where this is not practical you must make us aware, as your broker, that further enquiries are needed to accurately underwrite the risk. Any questions put to you in a proposal form or otherwise must be answered honestly, accurately and in good faith.

Persons operating outside their business trade or profession have 14 days to cancel the insurance policy without penalty. The cancellation period begins the later of, the day of the conclusion of the contract or when the contractual terms and conditions are received. Claims and Underwriting Exchange Register and Motor Insurance Anti-Fraud Register

Insurers pass information to the Claims and Underwriting exchange register operated by Database Services Limited and the Motor Insurance Anti-Fraud Register compiled by the Association of British Insurers. The objective is to check information provided and to prevent fraudulent claims. Motor Insurance details are also added to the Motor Insurance Database operated by the Motor Insurers' Information Centre (MIIC), which has been formed to help identify uninsured drivers and may be accessed by the police to help confirm who is insured to drive. In the event of an accident, this database may be used by Insurers, MIIC and your Motor Insurer to identify relevant Policy information. Other insurance-related databases may also be added in the future.
